

**State of New Jersey
Schools Development Authority (SDA) and
Higher Education Student Assistance Authority (HESAA)**

NJ-Governor's Industry Vocations Scholarship (NJ-GIVS) for Women and Minorities Fact Sheet

NJ-GIVS pays up to \$2,000 per year or up to the cost of tuition in an eligible certificate or degree program, less any federal, state or institutional financial aid. The scholarship is funded by the SDA and administered by HESAA.

Funding is limited and awards will be made on a first-come, first-served basis. To receive an award you must meet all eligibility requirements.

Eligibility Requirements – According to N.J.S.A. 52:18A-240, the Schools Development Authority must set aside a portion of the revenues from its construction contracts for training programs for women and minority group members. To receive NJGIVS you must be a female or a minority group member.

- Minority groups include the following as defined at N.J.A.C. 17:46-1.2:
“ ‘Minority’ means a person who is: 1) Black, which is a person having origins in any of the black racial groups in Africa; or 2) Hispanic, which is a person of Spanish or Portuguese culture, with origins in Mexico, South or Central America, or the Caribbean Islands, regardless of race; or 3) Asian American, which is a person having origins in any of the original peoples of the Far East, Southeast Asia, Indian Subcontinent, Hawaii or the Pacific Islands; or 4) American Indian or Alaskan native, which is a person having origins in any of the original peoples of North America.”
- You must file the Free Application for Federal Student Aid (FAFSA) and have an annual household income below \$60,000.
- Your award may be used at any of New Jersey's 19 county colleges, county vocational technical schools or a proprietary trade school affiliated with an institution eligible to participate in the New Jersey TAG (Tuition Aid Grant) program. To apply please fill out an application online by visiting www.hesaa.org.
- New Jersey grants and scholarships are limited to U.S. citizens and eligible non-citizens who have received approval from the United States Citizenship and Immigration Services (USCIS) to remain in the U.S. on a permanent basis. Students in the U.S. on a temporary basis – who do not have approved permanent resident status from USCIS – are not eligible to receive an award.
- New Jersey grants and scholarships are limited to New Jersey residents. A New Jersey resident must have resided in the State for at least 12 consecutive months immediately prior to receiving the award. NOTE: Eligible non-citizens must reside in New Jersey for 12 consecutive months after receiving permanent resident status from USCIS to meet the State residency requirement.
- Students must have a high school diploma or GED equivalent to be eligible.

Application Deadlines

Applicants must file the online application by December 1st for the fall semester and June 1st for the spring semester, and have a current academic year FAFSA on file. You can file your FAFSA at www.studentaid.gov.

Award Payment and Renewal

After classes start and HESAA receives confirmation of your enrollment status and you are meeting the school's standard of satisfactory academic progress, payment will be sent to your college, vocational, or proprietary school.

The award is renewable for one year, depending on the availability of future SDA funds. To renew for a second year, you must continue to meet all eligibility requirements: 1) file a FAFSA; 2) enroll at an eligible New Jersey institution; and 3) maintain satisfactory academic progress.

Eligible Programs

Architectural Building Construction Technology	Engineering Technology
Architectural Engineering Technology	Environmental Control Technology
Advertising and Graphic Design	Fiber Optic Technical Specialist
Building Construction Technology	General Engineering Technology
Building Maintenance	Heating/Refrigeration/Air Conditioning/ Ventilation Industrial Technology
Carpentry	Landscape/Design/Build
Carpentry Technology	Masonry
Civil Construction Engineering Technology	Network Engineering Technology
Civil Engineering Technology	Plumbing
Computer Aided Drafting and Design Technology	Quality Assurance Technology
Construction Management Technology	Solar Energy Technology
Construction Supervision	Surveying Technology
Construction Technology	Sustainable Energy Technology
Cybersecurity	Technical Studies
Drone Technology	Welding
Electronics Engineering Technology	
Electrical Trades	
Engineering	
Engineering Science	

Eligible New Jersey Institutions

County College Technical/Vocational Schools

Atlantic County Institute of Technology
Bergen County Technical School
Burlington County Institute of Technology
Cape May County Technical School District
